ADMINISTRATIVE COORDINATOR REPORT April 29, 2022

TO: Board of Directors

FROM: Yuriana Nuñez, Administrative Coordinator

SUBJECT: Law Enforcement Status Report for Quarter Ending

March 31, 2022

VEHICLE SPEED DATA

The four mobile speed monitor/display units were rotated among 16 of the 22 potential locations shown on the attached map. A chart with information from seven of the locations identified for high speed, shows about 1% of the recorded speeds exceed 40 mile per hour (mph). The speed limit is 55 mph at two of the locations that account for about half of the recorded high speeds.

The measured average speed for each of six locations is 20 mph with an 85% speed of 25 mph. The average speed for seven additional locations is under 25 mph and the 85% speed is under 30mph. The three remaining locations at Forest Lodge Road near Majella; Sloat Road near Wranglers; and 17-Mile Drive near Ocean recorded average speeds below 28 mph with an 85% speed under 33 mph. The 85% speeds recorded in traffic surveys are used by traffic engineers to identify the speed limit for streets not located in a residential neighborhood.

VEHICLE CITATION DATA

During the three-month and twelve-month periods ending March 31, 2022, California Highway Patrol issued 74 (41 for unsafe speed) and 470 (274 for unsafe speed) citations, respectively. A breakdown of the type and location of citations issued in the past 12 months is summarized on the attached charts and maps.

CRIME DATA

Monterey County Sheriff's office provided the attached data on crimes reported in Pebble Beach. Sheriff Commander Kathy Palazzolo will be at the meeting to answer any questions.
